Figure 1 illustrates the experimental setup. A participant is seated at a table, looking at a screen. On the screen, a 3D model of a rectangular object is displayed, with a red dot indicating a specific location on its top surface. The participant's hand is positioned near the object, ready to interact with it. The setup is labeled with 'Participant', 'Screen', '3D Model', and 'Hand'.

A solid black horizontal bar spanning the width of the page at the top.
